# CHAZZ PRINCETON

Check out everything  
you need to know about  
Chazz Princeton!

NAME:	Chazz Princeton.
MAJOR DUELS:	Vs Jaden Yuki.
DORM:	Obelisk Blue.
FAVOURITE MONSTERS:	Chthonian Soldier, VWXYZ Dragon Catapult Cannon.
HERO:	He believes he will be the best Duellist in the world.
STRENGTH:	Chazz always goes with what he thinks.
MATES:	Chazz is the leader of the elite group.
RIVALS:	Jaden Yuki.
GOAL:	To be the next King of Duels. Chazz's brothers have a master plan that involves Chazz becoming the best Duellist in the world.

**DID YOU KNOW:**  
WHEN CHAZZ DUELS  
JADEN THEY AGREE THAT,  
"WHOEVER WINS GETS  
THE OTHER GUY'S  
BEST CARD!"

Chazz says it's, "Time to find out if  
you (Jaden) beating Dr. Crowler  
was a fluke or a fact."

## GET THE CHAT

- Slifer slime!
- Well, well, well!
- Are you starting to know your place yet?
- That'll be the day!
- You lucked out!
- Big leagues!
- What wong baby?

**C**hazz Princeton comes from a family of high achievers with a master plan – world domination! His henchmen think that Chazz is going to “be the future King of Games – the best Duellist in the world!”, and Chazz obviously agrees with them!

### Classy guy

In Chazz's opinion, Duelling is something for the elite. Like his henchmen say, “He was the number one Duellist back in Duel Prep School” Naturally, Chazz thinks he can beat a “Slifer School scum” like Jaden.

### Trash talk

When they first Duel, Chazz taunts Jaden, saying, “You're nothing but a pathetic little amateur”. And Chazz promises to “Mop the floor with...” Jaden. But before they can finish their Duel, school security arrive, forcing them to stop. Chazz reckons he'd have beaten Jaden and says “Well, well slacker. Looks like you lucked out this time... You beating Dr. Crowler was just a fluke.”

### Win at all costs

Chazz has such a strong desire to win, he becomes really competitive when he Duels. Chazz finds it

tough to lose because he wants everyone to “Pay the proper respects” to him. He is also under a lot of pressure from his family to be the best Duellist in the whole world.

### Totally Blue

As an Obelisk Blue student, Chazz thinks that he is a cut above other Academy students, especially those who wear red jackets, just like Jaden Yuki and Syrus Truesdale!

### On the run

Later on Chazz disappears from the Academy, but Jaden goes looking for him to try to help. Bet Chazz was sorry for calling Jaden “A sorry Duellist”!

## WORD UP

Chazz thinks Jaden's too cocky: “You're something else, Slacker, you know that? Acting all confident. But your lousy monsters won't get you out of this jam.”

## ACADEMY JOURNAL

Find out just what Academy students have to say about Chazz in the exclusive Duel Academy Journal!

**Rival, Jaden Yuki:** is not intimidated by Chazz, “Those types don't bother me at all.” Jaden enjoys Chazz's taunts, “This is too fun!” “Just what I came for! Man! I mean the trash talking, the action, it's all so great!”

**Obelisk Blue Queen, Alexis Rhodes:** apologises for Chazz's rudeness, “Sorry if Chazz rubbed you up the wrong way – all us Obelisks aren't like that. He's just a jerk”

**Slifer Red, Chumley Huffington:** Thinks that Obelisk Blues, like Chazz are “Blue cuz a' grades, others through connections.”

## WHO'S WHO?

# CHTHONIAN SOLDIER

**He's a warrior with a sting in his tail!**

### The infernal soldier-slicer!

**This hard-fighting monster packs more punch than people realise:**

- Has a sturdy ATK of 1200 and a DEF of 1400.
- While pretty strong in the Defence Position, he really hurts the opponent when he's destroyed and sent to the Graveyard.
- When this happens, inflict the Battle Damage you took from this battle to your opponent's Life Points as well.
- So when Jaden destroyed Chthonian Soldier in their first (unfinished) Duel, his Life Points took the same damage as Chazz's. That's going to hurt!

YOUR MONSTER MEDAL: No. 2

Chthonian Soldier's name comes from the Ancient Greek word for underworld!

CHTHONIAN SOLDIER

YOUR CARD

[WARRIOR/EFFECT]

When this card is destroyed by your opponent's attacking monster and sent to the Graveyard, inflict the Battle Damage you took from this battle to your opponent's Life Points as well.

"Rise, Chthonian Soldier!"

# MEFIST THE INFERNAL GENERAL

He's the brutal bruiser with a battle-axe!

**DID YOU KNOW:**  
CHTHONIAN SOLDIER'S  
ATTACK IS CALLED  
WINDSTORM SLASH!

**Feel the dark force with this gruesome general!**

The scary leader of the fiend-pack who's always ready for fist fight:

- Packs a massive 1800 ATK and 1700 DEF points.
- Has a wicked effect when it attacks with an ATK higher than the DEF of the opponent's Defence Position monster...
- When this happens, inflict the difference as Battle Damage to the opponent's Life Points.
- Plus, when this monster does Battle Damage to an opponent's Life Points, you get to discard one of their cards at random. That's a handy feature!

To Tribute Summon a Level 5 Monster like him, you have to Tribute another monster!

**YOUR CARD**

1800 ATK Points can do serious damage!

# WHO'S WHO?

## REBORN ZOMBIE

He may be undead, but he's got serious cred!

"I guess that's one way to start a Duel."

**DID YOU KNOW:**  
CHAZZ TRIBUTES  
REBORN ZOMBIE TO GET  
CONTROL OF ELEMENTAL  
HERO FLAME  
WINGMAN

**This monster's a real scary Mary!**  
Give your opponents nightmares with this Monster:

- Has a respectable 1000 ATK points and a strong 1600 DEF points.
- He is the first ever monster played by Chazz in GX.
- First seen during the first, unfinished Duel with Jaden.
- If you've got no cards in your hand, this card cannot be destroyed as a result of battle while in Attack Position.

Play Castle of Dark Illusions with Reborn Zombie and get an extra 200 ATK and DEF points!

## ELEMENTAL HERO FLAME WINGMAN

The powerful Fusion Monster changes to Chazz's side!

"And now Flame Wingman... Attack with Sky-Dive Scorch!"

When Elemental Hero Flame Wingman fights for Chazz his wings become dark grey.

**YOUR CARD**

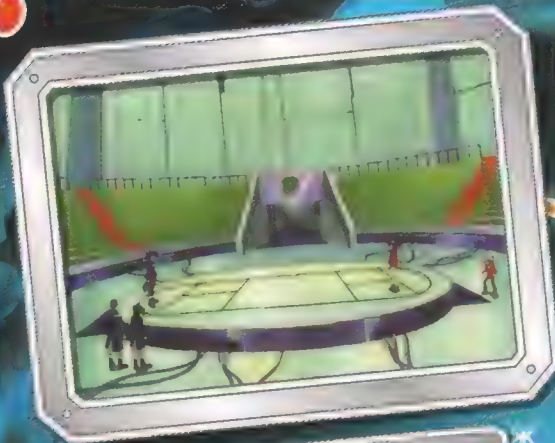

**Walk on the dark side!**

This Fusion Monster causes Jaden con-fusion when he switches sides!

- Jaden quickly brings out his favourite monster, in the first Duel with Chazz.
- Chazz cleverly uses Chthonian Polymer to get control of Elemental Hero Flame Wingman.
- But he comes home to Jaden after the Slifer Red student hits back by playing Mirror Gate.
- Although it is destroyed in the Duel, Jaden had a plan to bring back this Elemental Hero at the end of the Duel. Luckily for Chazz this didn't happen!

# ACADEMY RULES

Just like any school, there's loads of rules at the Duel Academy. On their very first day Chazz and Jaden manage to break the rules!

Jaden thinks: "This is the sweetest Duelling arena I've ever seen!"

Syrus agrees: "Yeah, no kidding, it looks completely state of the art!"

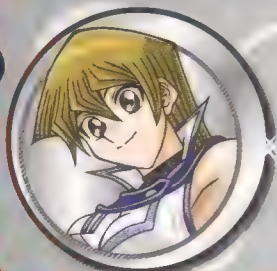

Alexis reminds the boys that: "The rules say no off-hour arena Duels!"

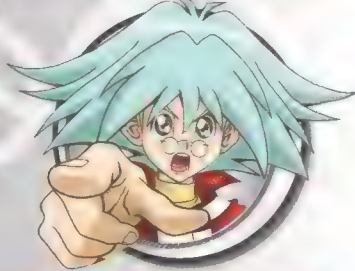

"Chazz knows that. But let me guess - he didn't tell you."

Look at these four faces; they were all at the illegal Duel. Unjumble the letters underneath each face and then match the name to the correct person.

# WELCOME TO THE

## Yomi, the home of the dead

The ancient Japanese underworld was known as Yomi. It was a frightening place - especially if your girlfriend was dead angry with you...

The great god Izanagi and his goddess wife Izanami had the job of creating Japan and many of its gods. It turned out to be a dangerous task. Poor Izanami had to endure giving birth to eight of Japan's biggest islands. Then she created the gods of the mountains, trees and the sea. But when she gave birth to the fire-god, Kagutsuchi, she got very badly burned. Izanagi was horrified by his wife's suffering!

### Trouble and Strife!

Izanami was so horribly hurt that she died and descended to Yomi. This underworld was a lot like the Earth, except everything was covered in a sinister fog that terrified living beings. Nevertheless Izanagi forced himself to go into the underworld to try to rescue his wife. When he finally found her, Izanami was hidden in the shadows, sulking. She was angry that Izanagi had taken too long to come for her. Sadly she'd grown hungry and eaten the dark food of the underworld, meaning that she had to stay there forever!

### Check out these two nasties from Greece and Egypt!

In ancient Egypt, the souls of the dead (known as 'ba') had to get through an obstacle course to get into the afterlife. If you made it, you'd face Osiris, Lord of the Underworld. He'd check to see you were worthy by weighing your heart. If the ba's sin was lighter than its heart, you were allowed to enter. Otherwise, lurking under the scales, was Ammut. He had the head of a crocodile, the forelegs of a lion and the hind legs of a hippo. If you failed test then you'd be fed to Ammut!

**Ammut - In the Egyptian afterlife!**

### Strike a light

Izanami did not want her husband to see her afterlife form. But while she slept, Izanagi's curiosity got the better of him.

He lit a torch and took a look at his lovely wife. A horrible sight met his eyes - his once-beautiful wife's body was rotting, crawling with maggots and had eight gruesome thunder gods drooling over it. Izanagi was so disgusted he let out a massive scream and ran off as fast as he could, waking up his wife. She was mortally offended and sent eight shikome (revoltingly scary hags) after her wayward husband. As the

# UNDERWORLD

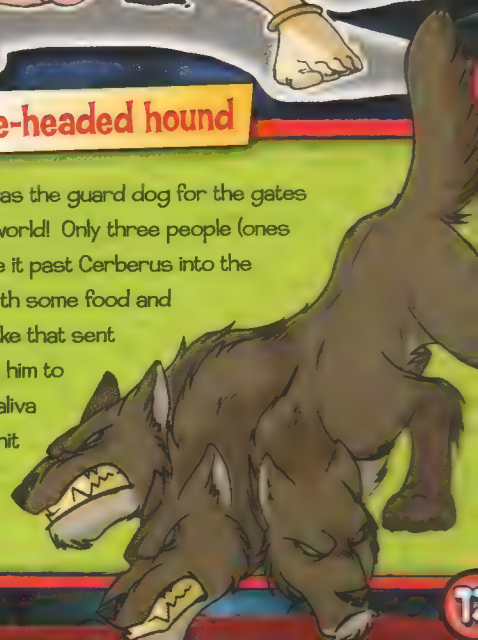

petrified Izanagi ran for his life, he kept dropping his possessions. His hat fell and turned into some grapes, then his comb, which turned into bamboo shoots. Seeing how these slowed down the

thither. Izanami gave chase herself. The furious goddess very nearly caught up with Izanagi - but he escaped from Yomi just in the nick of time and managed to roll a boulder over its entrance. With Izanami safely trapped inside Yomi, Izanagi told her he was divorcing her. Livid, she vowed to take her revenge by taking 1000 living souls into Yomi each day. So he hit back by promising to create 1500 new lives each day. And that's how death and birth came into the world!

## Cerberus - the three-headed hound

Cerberus (say serb-er-us) was the guard dog for the gates of the Ancient Greek underworld! Only three people (ones who were alive that is) ever made it past Cerberus into the underworld. One charmed him with some food and her beauty, one fed him funny cake that sent him to sleep and the other sang him to sleep with a lullaby! Cerberus' saliva was as bad as his bite, when it hit the ground it turned into the plant deadly nightshade!

# DRAW ELEMENTAL HERO AVIAN

Find out how to create  
a manga monster,  
Elemental Hero Avian!

**R**emember when you start drawing Elemental Hero Avian to look at his proportions. You'll notice at once from the drawing here that he is nine heads high.

The next step is to divide Elemental Hero Avian's body into nine sections, each the height of his head.

This means that every time you draw this monster he will be nine heads high – and therefore always in perfect proportion.

## TOP TIP

MAKE  
SURE YOUR  
ERASER IS CLEAN  
OR YOU'LL SMUDGE  
YOUR WORK WHEN  
YOU CORRECT  
MISTAKES!

As usual start by drawing your grid, just like the one here. Make all the squares the same size and add in diagonals to help you get details in the correct place. The line of action (blue line) for Elemental Hero Avian is quite complicated. This is because he has wings as well as legs and arms. Copy in the blue line, so you know the basic structure. Then add in the outline of his body, using this as a guide. Don't be afraid to redraw the image until you get it just right.

**SCRIBBLE...**  
**SCRATCH...**  
**SCRIBBLE...**

The next step is to add his body. For this you need to use circles – one for his head and two for his body. Make the top one bigger than the bottom one on his body; Elemental Hero Avian has a big chest. Add in sausage shapes for his legs and arms; use little circles for his hands and the place where his leg bends. Keep the circles inside the lines of his shape.

3

This step is tricky so take your time and don't be afraid to rub out your mistakes! When you start adding in the detail of Elemental Hero Avian use the grid to help you. Copy the lines showing his claws, hands and the curves of his chest. Next look at the shapes on his chest and carefully copy them onto your grid. Do the same for the feathery shapes on his face and the form of his arms.

4

Add in the rest of the detail – use the close-ups to help you with his face, claw and hand. Use little marks to add definition to his body and to show where his muscles are. Carefully copy in the feathers on his wings and what looks like beading around his chest. At the top of his wings copy the small circles and lines to finish his look.

## SKETCH.

# TAKE A CLOSER LOOK

**U**se these close-ups for his head and hand. Pay attention to the lines on his hand and the expression on his face. When you're practicing you'll notice that if you move one of his features slightly it can totally change the expression on his face!

Finally rub out the line of action and get some colour on your Elemental Hero Avian to bring him to life! Remember to use darker shades of the same colour to get the shadows – use the picture as a guide for this. Once you've got everything spot on, rub out the grid and check out your finished manga monster!

# MONSTER BATTLE

**Jaden and Chazz are Summoning up a whole load of monsters. In amongst the mayhem are twenty hidden GX logos. Find them all fast before the battle breaks out!**
